

Who are we?

Blues Trust is an organisation for the fans of Birmingham City Football Club, run by the fans of BCFC. It works to ensure fans have a true voice in the things that affect our club and how it is run.

In its short existence the trust has already secured the long term future of our stadium as well as establishing itself as a credible and respected supporter group. If you really care about BCFC and want to affect positive change then we want you on board.

Blues trust is a democratic, non-profit, supporters trust. As one of over 170 trusts established across the UK, we want Blues fans to have a greater say in the way that BCFC is run.

Our Aims

We hope to build the largest possible membership in order to create an independent forum that will raise the concerns of Blues supporters and will encourage the club to take our interests into account when making its decisions and to encourage the club to operate on a sustainable basis.

Supporting the club

We are not a protest group; we want to work with BCFC and other supporters groups to improve communications and to help the club flourish both on and off the pitch.

After all, whilst owners and players may come and go, the fans are the one constant at the club.

How Much?

Full membership costs just £5 a year and is open to all Blues fans who are 16 years or older. For your Fiver you will have a say in how the Trust is run and all funds will be used for the long-term benefit of Birmingham City supporters, by working to bring the club closer to its community.

Junior membership is available to those under 16 years old and is **free**.
