Blues Trust - Membership Application Form

Who are we?

Blues Trust is an organisation for the fans of Birmingham City Football Club, run by fans of BCFC. It works to ensure fans have a true voice in the things that affect our club and how it is run.

Since formation, the trust has secured the long term future of our stadium as an Asset of Community Value. It has establishing itself as a credible and respected supporter group. If you really care about BCFC and want to affect positive change then we want you on board.

Blues trust is a democratic, non-profit, supporters trust. As one of many trusts established across the UK, we want Blues fans to have a greater say in the way that BCFC is run.

Our Aims

We hope to build the largest possible membership in order to create an independent forum that will raise the concerns of Blues supporters and will encourage the club to take our interests into account when making its decisions and to encourage the club to operate on a sustainable basis.

Supporting the club

We are not a protest group; we want to work with BCFC and other supporters' groups to improve communications and to help the club flourish both on and off the pitch. After all, whilst owners and players may come and go, the fans are the one constant at the club.

How Much?

Full membership costs just £5 a year and is open to all Blues fans. For your Fiver you will have a say in how the Trust is run and all funds will be used for the long-term benefit of Birmingham City supporters, by working to bring the club closer to its community.

Membership carries full voting rights except for those under 16 years of age.

Options

Options are available for 1, 2- or 5-year memberships costing £5, £10 and £20 respectively. The 5-year membership gives 5 years for the cost of 4.
