

BLUES TRUST AGM 2020

Board Nominations

1. BULL, Peter

My name is Peter Bull and I've served on the Board of Blues Trust for the past 6 years having been initially co-opted in December 2013. I've been its Treasurer since 2014 and am also continuing to develop and maintain the Trust's website and online membership system. I would like to continue taking an active part in Blues Trust by standing for re-election and to serve for another 2 years.

- Nominated by Richard Stanley. Seconded by Neil Cottrell.

2. DECKER, Margaret

I have served on the board of Blues Trust since 2013 and feel that my experience may be of some use in the next two years. I hope that by the end of that time there will be some younger people willing to serve on the board and that I can hand over to them.

- Nominated by Daniel Ivery. Seconded by Clive Harris.

3. HORROCKS, Cliff

I have served on the Board since 2016 and currently hold the position of Chair. The work of the Trust is often frustrating because only slow progress is being made in our aim of having fan influence at Board level at our club. I wish to continue as a Board member after our next AGM and hope to contribute to a rethink of how the Trust build relationships with the club at Board level. I therefore stand for re-election for the next 2 years.

- Nominated by Neil Cottrell. Seconded by Karim Adab.

4. PICKETT, Bob

I became a Blues supporter aged 14, my first game was at St. Andrews verses Crystal Palace on the 26th November 1966, I was in my last year at school and Alan Kent, a classmate convinced me to go with him, I was immediately hooked and I've been going ever since. I've been a season ticket holder whenever finances have allowed, I rarely miss home games and I average about 10 away games each season.

I retired from full time employment in 2012, most of my working life was shared between Transport & Logistics and IT/Computing, between August 2012 & May 2016 worked for the Blues in the safety department. I joined the Blues Trust after the 2010-11 relegation season as I was very concerned about the way things were going at the club.

I use social media every day and I was co-opted to the board in November 2019 with the intention to use my skills to raise awareness of the trust and encourage as many people as possible to become fully paid up members, hopefully this will help the trust to achieve its aims. Every day I post & tweet 3 things, Quiz for today, Born on this day & On this day – The first & the last. Once a week I release a Blues related quote and on match days I release our head to head stats with the opponents.

- Nominated by Karim Adab. Seconded by Richard Stanley.
