BLUES TRUST AGM 2026
Board Nomination Statements

1. ADAB Karim

I have been privileged to work with the Trust for nearly 9 years now and would be delighted to be considered for re-election. The impact and importance of the Trust's work in supporting the club through the difficult years before Knighthead cannot be understated, and nor can its incumbent and future role in shaping the direction of supporter representation within and around the club. The Board has evolved significantly in recent years, benefiting greatly from the considerable experience of its chair and senior members, and has grown in influence in not only local but national conversations. I would be delighted to continue to assist the Board with their work in the years to come, so seek your approval for re-election.

- Nominated by Peter Bull, seconded by Neil Cottrell.

2. GREAVES Fred

I have very much enjoyed being a member of the Blues Trust Board and I would like to continue its work and actions.

I feel there are a number of key challenges facing the Trust in the imminent future. These, I believe, are as follows:

(i) Gauging the levels of satisfaction and concern being experienced by current and prospective supporters;
(ii) Collecting relevant comments from supporters about the future development of Birmingham City Football Club, in particular the provision for supporters in the planned new Powerhouse Stadium;
(iii) Ensuring the Board's voice is heard by the management of the Football Club;
(iv) Seeking reactions to the Board's concerns from the owners and officials of the club.

- Nominated by Bruce Kyte, seconded by Richard Stanley.

3. HORROCKS Cliff

I wish to be considered to continue serving on the Board of Blues Trust. I am interested in helping the Trust move forward with a renewed purpose. Supporting the positive direction of our new owners, maintaining an independent supporters voice and to be part of the work to see the Independent Regulation of football implemented.

- Nominated by Linda Magner, seconded by Fred Greaves.
